## Connie Thrash McGoodwin Vocational Training Hub

MHA completed its initial programs assessment phase in Liberia; in the temporary residential setting in Mrs. Lovetie Major's family compound located Gaye Town, Sinkor Old Road. The Pilot phase is scheduled to begin in September 2016. Plans are now being

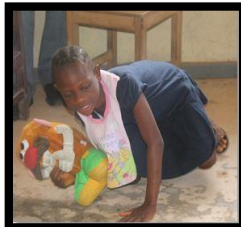

made to relocate the Connie Thrash McGoodwin Vocational Training Hub (CTM-Vocational Hub) to a transitional site, when the ongoing renovation is completed. We are continuing with fundraising goals to buy the land to build our campus community. ♡

## CEO's Reflections...

Lovetie Major, M.ED  
MHA CEO

I started out many years ago with one candle burning in a dark room with My Heart's Appeal, as an advocate for a special group of neglected children, with the prayer that every intellectually disabled individual be given a chance to learn and be productive. It is now 2016 and MHA is celebrating five years of serving individuals with intellectual and developmental disabilities in Liberia and twenty years as a nonprofit organization. This would not have been possible without the humble prayers and help of volunteers and patrons.

Konah came to us in 2012 at 9yrs of age, nonverbal and crawling like a toddler. Rejected by her mother shortly after being born developmentally delayed, she has been cared for by her grandmother from birth. Her goal as she came to Bigma's Care Place Respite Care was to be appreciated.

Today, we are proud to announce that Konah now makes sounds and gestures to express herself; and can stand and walk around all by herself. Her grandmother in appreciation attributed the accomplishment of her granddaughter to the opportunities that My Heart's Appeal (MHA) makes available giving Konah a chance that society had denied her. She went on to say that having other children to play with like herself and being in a loving and caring environment allowed Konah to feel accepted with a sense of belonging.

Please continue to locate these special children in your communities if you live in Liberia and help them feel loved, accepted and appreciated. 🌟

"As Rotarians, "Kay Floyd said," it gives us great honor to ask the public to join My Heart's Appeal and Rotarian Lovetie Major as she endeavors to show the world the true meaning of Rotary."

## USA North Oklahoma City Rotary Club International Challenge

The Oklahoman an Oklahoma City, OK local newspaper; July 6, 2015, Your Life: Needs & Deeds section featured a story of My Heart's Appeal and its biggest need of financial donations to buy land to set up a campus in Liberia.

They are asking for help to demonstrate that Rotarians along with our community can "Be a Gift to the World," Rotary's 2015-2016 Theme.

## A Message from MHA Board Chairman

The members of the board of directors of My Heart's Appeal (MHA) are very happy to serve. We look forward to 2016 as a New Year beginning with growth and expansion of My Heart's Appeal.

The wonderful service MHA is providing in Africa is amazing. We appreciate all that Lovetie and her family have done these many years on their own as they helped the intellectually and developmental disabled individuals in Liberia.

It is our desire to see My Heart's Appeal grow as it develops more contributions from individuals and organizations. A dollar given to MHA goes so much farther in Africa than it can in a Western Country. Please consider your giving and help us encourage others to give to MHA.

Thank you for your gifts,  
Warren Collins  
Chairman of the Board

My Heart's Appeals' respite program, Bigma's Care Place, received a mission team August, 2015 from the Lutheran Church of Bavaria, Germany in Europe and Ms. Jane Edwards of the USA.

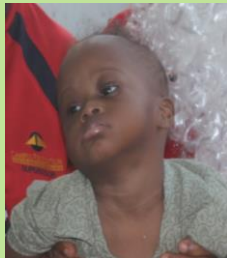

A special prayer was said for the mission team by one of our special children.

## Morris United Methodist Church, Oklahoma - USA

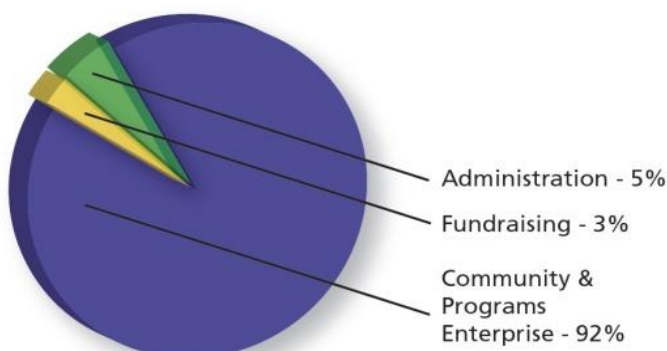

Morris United Methodist Church, located in the small rural community of Morris, Oklahoma is part of the Oklahoma Conference and The Advance, the designated giving program of The United Methodist Church. The members and Rev. Judy Conner welcomed My Heart's Appeal (MHA); also an Advance Project #3022086, on October 11, 2015.

Lovetie Major shared a moving testimony of how MHA is reaching out into the communities in Liberia, West Africa, sharing God's Love by providing services to children marginalized in society because of an extra chromosome that makes them look different.

Mrs. Major also shared the journey of the fundraising goal for the land fund drive, but knew in her heart that that goal had been reached through faith. She told of how the MHA campus community, when built, will have a Chapel where parents can bring their children to a place where they can feel loved and appreciated in a welcoming environment.

We are humbled to announce that Morris United Methodist Church championed the cause for our fundraising Phase Two: Building Fund Drive. They collected an extraordinarily amount of \$1,380.00 on that Sunday beginning the fund drive for the Chapel Complex. 🙏

## MHA Celebrates World Down Syndrome Day in Liberia, West Africa - 2016

**2016 Theme:** "My Friends, My Community" - The benefits of inclusive environments for today's children and tomorrow's adults

**Date:** March 15, 2016  
**Time:** 8am - 3pm  
**Venue:** Antoinette Tubman Stadium  
**Location:** Central Monrovia, Liberia,  
**Event:** Opened to the General Public

March 21, 2016 marks the 11th anniversary of World Down Syndrome Day (WDSD), which is a global awareness day and is officially observed by the United Nations and sponsored by Down Syndrome International of the United Kingdom. The date signifies the uniqueness of the triplication (trisomy) of chromosome 21. This is Liberia's fourth celebration and My Heart's Appeal is honored to be its representative.

We want to get people talking about WDSD on March 21, celebrated March 15 in Liberia. Down Syndrome International invites everyone across the world to wear LOTS OF SOCKS to raise awareness on (WDSD). We can do this if we all wear socks...BUT NOT JUST ANY SOCKS... brightly colored socks, long socks, printed socks, 1 sock...maybe even 3 socks for 3 chromosomes. If you don't normally wear socks, then wear them that day, March 21. AND WHY STOP AT SOCKS? Wear brightly colored clothing if you like and invite all your friends, family and colleagues to do the same. 🌟
