MHA Launches Documentary

Lovetie Major in **A Chance to Learn** tells a heart touching story about the journey of Titema, and her struggles and triumphs of overcoming the obstacles of having a learning disability.

It will lead you on a journey of understanding of one Sister's love, commitment and vow to enrich her sibling's life by providing her with an opportunity to learn. This documentary is both inspiring and uplifting and it will leave you with an enlightened understanding of how children with disabilities can embrace learning and be productive.

Orders are available on MHA Website

Thank You, Team of Sisters!
