Lovetie Major in **A Chance To Learn** tells a heart touching story about the journey of her sister Titema, and her struggles and triumphs of overcoming the obstacles of having Down Syndrome in Liberia, West Africa. It speaks to the possibilities that every child can learn if given the opportunity, the right vocational skills and training, along with a healthy dose of love and encouragement.

It will lead you on a journey of understanding of one Sister's love, commitment and vow to enrich her sibling's life by providing her with an opportunity to learn. This documentary is both inspiring and uplifting and it will leave you with an enlightened understanding of how children with disabilities can embrace learning and be productive.
