Oklahoma City, Oklahoma – October 31, 2014 - MHA Ebola Response Drive Ends

Our Headlines read... A Return From Liberia; Join In A Call For Action For Liberia; Who Is Your Neighbor; Thank You: We are a Stone Throw Away...

Your Help was so appreciated. Over 2½ tons of food and medical supplies were collected and have been shipped and are on their way to Liberia.

The donated items will be given to one hundred MHA families, staff and volunteers in our programs. Hopefully, the shipment will arrive on time for the holiday season.

We met 50% of our goal to give additional items; a 25lb bag of rice and a 5gal faucet bucket for hand sanitization to each family, to be purchased in Liberia. We did not reach our target number, but at least we tried. "Success is about knowing that your actions and thoughts add value to humanity, and being aware that someone has a reason to press on in life regardless of challenges because of you!" – Unknown Author

Our hearts bleed, our soul is hopeful, all will be well and Liberia... your people will rise again!
