

Thursday, November 1, 2012 was Thanksgiving Day in Liberia, West Africa. Parents of children with disabilities gathered to give thanks to God for the opportunity given them for Bigma's Care Place-Respite Care (BMC) where all are loved.

BMC began services in Liberia on July 21, 2012. This program allows parents who have children with special needs a Saturday to themselves while the children- including siblings- are treated to one-on-one care and attention. This is a "**first**" for Liberia!

Please sponsor a child at \$10.00 per month. This fee covers two meals, a snack and transportation. Visit us at www.myheartsappeal.org, click CONTACT* FORMS* MHA DONATION FORM* then print and mail form or DONATE online.

Thank you,
Happy Thanksgiving
