My Heart's Appeal

DRTC sister agency My Heart's Appeal (MHA) is closer to reaching its goal of helping provide job opportunities to people with disabilities in Liberia, West Africa. The North Oklahoma City Rotary Club presented MHA Founder and CEO, Lovetie Major, a \$3,000 check during the 4th annual benefit dinner held in February. Jill Harrison, Executive Director of Down Syndrome Association of Central Oklahoma, was the guest speaker for the event. Last year, DRTC donated two of its box trucks to help MHA in its efforts to secure funds to purchase 100 acres of land in Liberia to begin construction of its campus in Liberia.
