

Name: **BENNER**

Date of Birth: December 11, 2011

Age: 10

Disability: Down syndrome

About me:

Certain children play with me, but others not.

Not all my family members like me.

I like dancing, listening to music.

I want to be like Nelson Mandela. He impacted humanity positively with his composure.

My father wants me to be a productive mechanic or welder.

My family helps by being patient and kind to me and will help me learn to become career welder.

I like playing with my brothers and dancing.
