

Name: **MARVELLYN**

Date of Birth: April 29, 2010

Age: 11

Disability: Down syndrome

About me:

Certain children play with me, but others not.

My family is proud of me.

I like listening to music and dancing.

I like to be like Serina Gbaba, a very good Christian woman.

My family wants me to be productive in what I am capable of doing.

They want me to be educated and encourage my little efforts. I like washing clothes, combing my doll's hair, cleaning places in the house and keeping it neat.
