

Name: **LAWRENCE**

Date of Birth: July 25, 1994

Age: 27

Disability: Intellectual

About me:

People in the community take me to be a foolish person.

My family is proud of me.

I like people to come around me and play with me.

I like to be like the late Michael Jackson, because he likes to sing.

My family desires that I be able to read and write. They want me to well-educated and be able to care for myself. I

like singing songs and dancing.
